

## Points for Prayer - April

### Please pray for:

- Year 11s and 13s making a decision about Jesus before they leave our CUs in the summer
- Guidance as we wait for decisions from a number of schools where it feels like doors are beginning to open
- Planning CUs and working with the student leaders
- Upcoming lessons at Reading Girls', Hartland High, Langtree, Theale Green and Little Heath
- Students preparing for end of year exams, and for their teachers as they help them
- Continuing discernment in how we use our time and resources
