

## **PRAYER POINTS FOR REACH SEPTEMBER 2025**

- That we would discern God's will in our planning
- For students to sign up to Crosfield's new CU
- For good contacts at Embrook and Denefield to enable student-requested CUs to go ahead
- To continue to build on the good relationships we have with schools so that the work can increase
- For a third staff member to join us
- For students to start the term well, and any anxieties to be calmed
